The Department of Motor Vehicles must be notified in writing, within 30 days, of changes in your mailing address, legal name or legal residence. When you receive registration plate(s) and/or sticker(s), verify that the expiration month matches the expiration month on this registration, and that the plate numbers match the plate number on this certificate and on the validation stickers. If these do not match, notify the Department of Motor Vehicles immediately. When transferring your registration, complete the transfer section of this certificate and attach to a completed application for new vehicle registration. All applications will be returned if not completed properly, or if payment is insufficient. If purchase and use tax credit is being requested, credit will be based on the amount actually received from the person whose name appears on the certificate above.

To be considered for a refund of your registration/renewal fees you must return the number plates, if any, the validation stickers, if issued for that year, and the registration certificate, (1) For registrations, which are cancelled prior to the beginning of the registration period, the refund is the full amount of the fee paid, less a fee of \$5.00. The validation stickers may be affixed to the plates. (2) For registrations, which are cancelled within 30 days of the date of issue, the refund is the full amount of the fee paid, less a charge of \$5.00. The owner must prove that the number plates have not been used or attached to a motor vehicle, or that the current validation sticker has not been affixed to the plate. (3) For registrations, which are cancelled prior to the beginning of the second year of a two-year registration period, the refund is one-half of the full amount of the two-year fee paid, less a charge of \$5.00. The validation stickers may be affixed to the plates. For information about refund requests and application forms, call 802.828.2000. Vehicles not displaying a valid Vermont inspection sticker must be inspected within 15 days of registration. You must present a valid insurance card to the inspection station to show proof of insurance or the vehicle cannot be inspected.
